

DELETION HAIL COVERAGE ENDORSEMENT

In consideration of the described recreational vehicle having existing hail damage at the time of issuance of this endorsement, it is understood and agreed that coverage for loss or damage due to hail is hereby deleted. Furthermore, any settlement for future loss or damage by an insured peril to any portion of the recreational vehicle having prior unrepaired hail damage, shall be reduced by the present day cash value of such damage.

If the insured supplies evidence satisfactory to the insurer that the hail damage has been repaired, this endorsement will become null and void and have no effect.

Except as otherwise provided in this endorsement all limits, terms, conditions, provisions, definitions and exclusions shall have full force and effect.
