

FREIGHT CHARGES ENDORSEMENT – E60

In consideration of the premium charged, the Motor Truck Cargo Rider is extended to cover the loss of freight charges to a limit as stated in the Declarations made by the Insured for transporting cargo when such charges are:

- a. Unpaid and rendered uncollectible from either shipper or consignee as a result of a peril insured and not otherwise excluded;
- b. Prepaid but required to be refunded to the shipper by reason of loss or damage occurring as a result of a peril insured and not otherwise excluded;
- c. Incurred to deliver cargo to final destination as a result of a peril insured and not otherwise excluded.

Payment of such freight charges to the shipper, consignee or other party making claim shall relieve the Insurer of any liability to also pay such freight charges to the Insured.

Except as otherwise provided by this endorsement, all limits, terms, conditions, provisions, definitions and exclusions of this policy shall have full force and effect.
