

GLASS RIDER - G1

I. SCHEDULE

The glass, lettering, ornamentation, tape and foil insured hereby are described and located as stated in the Declarations. Unless especially described and stated in the Declarations to be insured, this insurance does not cover lettering, ornamentation, tape or foil or clamped, glued, bent, wired, leaded or cathedral glass, or doors, mirrors or showcases, or any glass not set in frames, sashes or bars, or anything other than clear flat plate, crystal, double diamond or sheet glass.

II. DEDUCTIBLE CLAUSE

The Insurer is liable only for the amount by which the loss or damage in respect of the glass insured exceeds the amount of the deductible specified in the Declarations in any one occurrence.

III. SUPPLEMENTARY PAYMENTS CLAUSE

The insuring agreement of this rider is extended to cover the following:

- (a) Damage to Show Case Frames and Window Sashes - The cost of repairing, or replacing with like material, show case frames and window sashes immediately encasing and contiguous to the insured glass, provided that such repairing or replacing is made necessary by such damage to the insured glass;
- (b) Temporary Installation - The cost of boarding up, or installing temporary plates in the windows in which such broken insured glass is located provided such boarding up or temporary installation is necessitated by unavoidable delay in replacing any broken glass insured hereunder;
- (c) Removal of Obstructions - The cost of removing and replacing any fixtures or other obstructions (excluding show window displays) necessary to the replacement of any such damaged glass insured hereunder;

The limit of the liability under each section (a), (b) and (c) is \$100.00 with respect to loss in any one occurrence at any one location.
