

**SASKATCHEWAN MUTUAL INSURANCE COMPANY
BLANKET FARM OUTBUILDINGS AND CONTENTS INVENTORY FORM**

POLICY NO. _____ INSURED _____ DATE _____

1. This inventory form must be completed and signed along with the Farm Application. An annual review of this list is recommended.
2. The 80% Co-Insurance Clause applies on total values at the time of the loss. However, insurance should be written for 100% of value. This will help avoid a co-insurance penalty in case there is an increase in values.
3. The following buildings are not eligible for blanket cover:
 - a) Greenhouses or fruit stands
 - b) Buildings not fully enclosed
 - c) Buildings housing more than 35 milk cows, 100 hogs, 200 birds or P.M.U. horses
 - d) Grain elevators, silos, seed cleaning plants, feed mills, root houses, vegetable storage buildings, or buildings used for beekeeping operations
 - e) Vacant buildings
 - f) Buildings used for manufacturing or commercial purposes
 - g) Windmills, windchargers and their towers
 - h) Buildings used for residential purposes
 - i) Buildings or structures where the wall or roof construction consists of tarp, plastic or similar non-rigid covering.
4. Replacement Cost cover is not available on the blanket form.
5. The Company reserves the right to exclude buildings which do not meet our underwriting requirements.
