RE: SMI BROKER DONATION FUND

2019 marks the second year of the Broker Donation Fund where Saskatchewan Mutual Insurance asked brokers to submit a registered charity of their choice describing how the charity would benefit the communities that they live and work in. We received several submissions from each province and randomly chose three entries per province. SMI staff voted to determine which charity would be the recipient in each province and based on the voting results, SMI is pleased to be donating \$5,000 to the following charities:

- ❖ ALBERTA – **Fur-Ever Homes Rescue Society** submitted by Canada Brokerlink Inc. o/a Brokerlink in Calgary (Glenmore office)
- ❖ SASKATCHEWAN – **Beads of Courage – Canada** submitted by Lakeview Insurance Brokers in Martensville
- ❖ MANITOBA – **Swan Valley School Division for the Taylor Elementary School Playground Enhancement Project** submitted by Cook & Cooke Insurance Brokers in Swan River

Thank you to everyone who submitted write-ups highlighting the variation of charitable organizations in our communities and how they benefit all of us. SMI prides itself on partnering with our brokers to give back to the communities that we all live and work in and we look forward to continuing this program in 2020.

Yours truly
